

CAMPAIGN IMPACT

Subject: Look at the impact YOU make when you Give Where You Live

Hi Team,

When you choose to **Give Where You Live**, you make more than a donation to a worthy cause—you are directly changing lives right here in Southwest Minnesota.

Your donation through our United Way workplace campaign stays local. It helps our neighbors during tough times, provides local children with essential school supplies, and keeps our community resilient.

Here is a look at what your generosity achieves across our region:

- **\$5:** Puts printed take-home reading materials directly into the hands of a student.
- **\$10:** Funds nearly 3 monthly books for local children through Dolly Parton's Imagination Library.
- **\$25:** Supplies a food shelf with a case of toilet paper, egg noodles, peanut butter, and ground turkey.
- **\$50:** Packs about 16 weekend snack bags—enough to support almost an entire classroom of kids.
- **\$75:** Delivers two nights of safe shelter, hot meals, and essential supplies for a neighbor in crisis.
- **\$100:** Secures a full month of weekday meals for a senior living in Yellow Medicine County.

Whether you give \$5 or \$100 this campaign, you are the reason local kids are learning to read, families are finding stability, and seniors are receiving care.

Ready to make a difference?
